RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Restriction Requirement of November 21, 2002, Applicants provisionally elect Group I, Claims 1-49, with traverse. Traversal is on the grounds that a search of the art for one group of claims will necessarily include a search of the art for the other group of claims. It is believed that the burden on the Examiner to examine all claims in a single application is less than the burden on the Applicants/public to prosecute/search more than one application/patent.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 625-3507. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

Attorney for Applicants
